Kislingbury Parish Council

These notes highlight some of the many issues that the Parish Council is involved with because of its responsibilities as the most local tier of English local government. They supplement the publicly available minutes which are available online (on the Parish Council website) and on the notice boards around the village. I would like to thank our public spirited handyman for the repairs to the damaged notice board on Bugbrooke Road.

The Parish Council meets at the Village Hall at 7:30 p.m. on the third Tuesday of every month apart from August. Since the last set of Parish Council Notes (August/September 2022) there was a Parish Council meeting on 20th September 2022. Parish Council meetings are, legally, the only context in which the Parish Council can make decisions. This is particularly important when it comes to spending the public money that the Council is responsible for.

Kislingbury residents are always most welcome to attend any Parish Council meeting and have an opportunity to raise any issues as part of the Parishioner's Voice agenda item. Parishioner's Voice is a very direct way of raising issues and concerns with your Parish Council. This item is always early on the agenda. While you do not have to stay for the whole meeting, I would encourage you to stay on to observe at least some of the meeting to see the range of issues that come to the Parish Council.

In the May Parish Council notes, which appeared in the Kislingbury News of June/July 2022, I expressed the Parish Council's appreciation of the very strong response from the village in respect of the proposal to build 58 houses on land off Camp Lane and Beech Lane. In these notes. At the time of writing, the Parish Council has not heard of any planning decision from West Northants Council about this proposal.

Parking is a problem in many areas of the village, including Mill Road. Our Parish Clerk has received a reply from WNC Highways about restricted parking for residents. The full detail of this reply will be in the Parish Council Minutes on the 20 September meeting. However, if you have a Blue Badge, it is possible to apply for a 'disabled line and sign' which would enable you to park close to your property. There is information on the WNC website and you can apply for a disabled space at westnorthants.gov.uk.

I mentioned in the last set of Parish Council notes that the Parish Council will be setting its budget again in November. This sets out how the Parish Council intends to spend *your* money - the money that is raised via Council Tax. It is inevitable, and necessary for this to be increased but the Parish Council welcomes any comments and suggestions

about our intention to increase the Parish Council precept. The Parish Council is very conscious of the responsibility it has to spend public money carefully and with accountability. At the November meeting we will be agreeing grants to local organisations on the basis of application forms that are available from our Parish Clerk. The forms will ask applicants to say how the grant will be spent and agree to provide evidence about how the grant was spent.

Kislingbury is a village that contains wide disparities of wealth and income. The recent increases in energy and food prices means that more people than ever struggle to make ends meet or have to decide whether to heat or eat. For this reason, the Parish Council has decided to open, 'The Kislingbury Larder' in October. The scheme will be open to all Kislingbury residents in need, and will ensure that those joining the scheme will have a grocery box once a week. All requests for help will be treated confidentially and comply with data protection regulations. If you wish to apply, please contact the Parish Clerk by phone (01604 858226) or email (parishclerk811@btinternet.com).

The Parish Council would also welcome any approaches from village organisations that have ideas that might help with the 'cost of living crisis', for example by offering a 'community living room'. Again please contact our Parish Clerk to discuss your suggestion.

At the September 2022 meeting, the Parish Council agreed to replace a faulty light in Millers Close. This is just one example of the range of village maintenance coordinated by the council. This year we have had a mowing contract for the Village Greens and verges. I think generally this has worked well and despite incidents of unhelpful parking and the very dry weather, the Greens do look well cared for. It was also good to see the Old Pond Site (on the Bugbrooke Road) looking much tidier having been cleared ready for wildflower planting.

The Parish Council is still looking for two more Parish Councillors. If you think you might be interested but want to know a little more before committing yourself please get in touch with the Parish Clerk to find out what is involved. The same applies for vacancies for Flood and Tree Wardens.

Having sent Evelyn Banner a 100th Birthday Card recently, the Parish Council was delighted to be asked to do the same again for Rene Hall. If you know that someone is approaching their 100th birthday, and who would like a card, please do contact our Parish Clerk.

THE PARISH CHURCH OF ST LUKE

SERVICES

On Sunday, 30th October there will be a Benefice Service of our four parishes at Bugbrooke Parish Church at 10.30am when the Revd. Charlie Nobbs will be our celebrant and preacher.

Remembrance Sunday

We will be having the usual service on Remembrance Sunday, gathering at the War Memorial at 10.50am followed by a service in church. As usual, the loose collection taken will be for the Royal British Legion Poppy Appeal.

Prayer and Pastoral Visiting

Our Prayer Group is still active so should you wish special prayers for someone in need, then please contact Judith on 830421.

Also please contact us should you know of anyone who would benefit from an informal visit. We realise that Covid is still an issue so a simple phone call can be offered.

Home Communions

If you wish to have Holy Communion at your home, please contact Judith Tonge on 830421 who will be able to arrange this.

VILLAGE FUNDAY – 28th August

Messy Church ran two games for this event. The winner of the “Find Peter Rabbit’s missing carrot” game was won by Darwin from Thorplands, and the “Pirates Treasure” by Jessica (Denise Talbutt’s granddaughter).

Ride and Stride – 10th September

5 Riders came to the church and so far over £100 has been raised with sponsorship monies from the riders still to be received. The money raised is sent to the Northamptonshire Historic Churches Trust and St Luke’s will receive half the amount. Enormous thanks are extended to the riders, sponsors and those who sat in the church on the day. It was very much appreciated.

MAIN CHURCH NOTICEBOARD

As the Revd. French officially retired on 30th June, the matter of updating the existing notice-board at the main gate was recently discussed at a meeting of the Parochial Church Council. Information and lettering were agreed and hopefully this will be in place in the not too distant future.

HARVEST CELEBRATION AND LUNCH

Sunday, 2nd October

We are planning this year to follow our Harvest Service on Sunday 2nd October with a proper Harvest Lunch at approximately 12.30pm.

This is something we haven't had since before Covid!

The menu will be cottage/shepherd's pies with peas, fruit crumble and cream, tea/coffee and mints, and a free glass of wine or beer.

**Tickets are £10 and can be obtained from
Judith (830421), Shirley (830104) or Gill (831384)**

HARVEST MESSY CHURCH – A Season for Gratefulness

Wednesday 19th OCTOBER 3.30pm to 5.00pm

Lots of harvest activities with refreshments

“We plant the seed but God gives the Harvest”

HARVEST GIFTS

A decision has been made that all harvest gifts this year will be given to Miriam Harris for local distribution, rather than to the Hope Centre. As you may know, for many years Miriam has collected contributions of food which have then been distributed by Sue Cornick around the village and locally, as guided by the Primary School. It was felt that with the present energy crisis, St Luke's could rely on them for wise and appropriate distribution as part of our church giving. As usual the most acceptable items are packets and tins please.

Also, should you know of any family that might benefit from such a gift, please contact Miriam.

Please bring any contributions to the church either on the Saturday morning 1st October (if you are unable to attend the service) or bring to the Sunday morning service as usual.

Apologies to the family for the omission of the following from the July/August edition.

Mike Green

Irene and family thank everyone for their cards, messages and wonderful support following the loss of Mike. Particular thanks to Rev. Stephen French for his comfort and guidance, and to Paul and his staff at The Sun Inn for providing a much appreciated buffet.

FLOOD WARDEN

After 24 years as your flood warden, and well into the octogenarian age group, I have decided that it is time that I should retire, as clambering up river banks and over fences is not as easy as it used to be! It was my intention to do so at Xmas 2020 but due to the floods we had then in The High Street, Hodges Lane and in Beech Lane I did not think it was fair to lumber a new person with the problems that we obviously had, especially as it took nearly a week for the water to disappear from Beech Lane.

Back in the Autumn of 1998 my dear wife, Delphine, came home from a KPC meeting and asked if I would like to be the Kislingbury Flood Warden.

“What does it involve?” I asked.

“I don’t know,” came the reply.

I gave it some thought and decided to take the challenge on board. It certainly has been a learning curve but I could not have done it, hopefully to my best and your satisfaction, without the support of the staff in the Environment Agency and the Council Highways Dept. Also the cooperation of yourselves has been greatly appreciated by me. As I have written over recent months we found many issues with the drainage systems in the village and most of 2021 was spent rectifying them. At this moment of time the rectification work has not yet been tested in anger. However, I am reasonably confident that it will be successful.

If there is anyone out there who wishes to volunteer for the position then you should contact the Parish Council. I am happy to support the person who takes this position on to settle in. KPC contact details are in the front of Kislingbury News. Please bear in mind you could receive calls in the middle of the night or be walking the village at some unearthly hour of the night.

Margaret Welsh Charity

The Margaret Welsh Charity provides grants to young people who have left school and are entering higher education or are taking a recognized apprenticeship.

Applicants must be residents of Kislingbury, have attended Kislingbury Primary School, under 25 years of age and have not previously received a grant from the Charity. Grant cheques will be issued to successful applicants in November. Proof of attendance on the course or apprenticeship is required and should be provided with the application letter.

Applications, giving details of the course or apprenticeship, should be made by the applicant in writing before 30th September to:

Shirley Faulkner, 5 Church Lane, Kislingbury, NN7 4AD.

Note: applications will not be accepted from parents or other third parties.

Bugbrooke Medical Practice

Whilst we have had a lovely hot summer it has been business as usual at the surgery. We have been able to see many of our patients face to face thanks to our triage team dealing with patient enquiries quickly and efficiently.

Our new doctors are settling into the practice and making a difference to our ability to see more patients. Our nursing team is also increasing with the welcome addition of Beckie Thornton, who will be working closely alongside our established team.

We would like to congratulate Nurse Julie Millar who has successfully completed her training and has been promoted to Advanced Nurse Practitioner.

We are also actively recruiting new reception staff and admin. staff as we write this article.

Flu Clinics

Annual Flu clinics will run through October, dates to be confirmed. Please make sure you use our services to have your vaccination when offered. Did you know, the flu vaccine lasts for approximately six months? We typically offer the vaccine in October to maximise patient protection. As we order enough vaccines to offer this service to all of our patients, please help us to reduce waste by booking and having your flu vaccination with us in the surgery.

Refurbishment

We had hoped to be underway with our planned refurbishment at the end of August, but due to circumstances beyond our control, we have had to postpone the start date. Please keep an eye out on our website and our Facebook page for more updates.

Supporting our Community

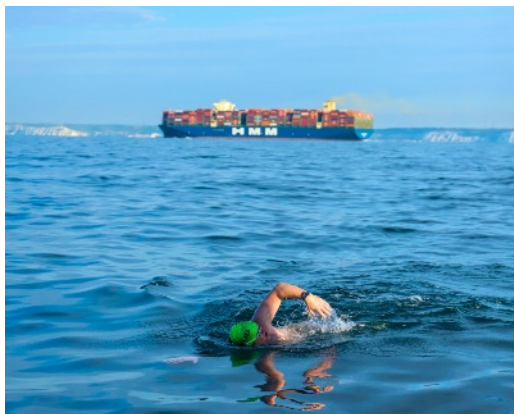

We were honoured to hold our Inaugural Veterans' Afternoon Tea on 10th August. We were lucky enough to meet some of our Veterans and catch up with stories of their antics whilst serving, and those of our grandparents too. We had a mixture of generations join us, including a Cadet from the Navy Marines. Stories were shared, friendships made and rekindled. We even had a family reunion.

We look forward to welcoming our Veterans again later in the year.

We will be holding a collection for the Eve Project, which supports domestic violence victims with emergency accommodation and guidance. There will be a list of items needed on our TV screen, on our Website and Facebook in the middle of September.

Swimming the Channel

Dr Toplis recently returned from his sabbatical, and yes the rumours were correct, he did swim the channel. He set off from Samphire Hoe on the 4th July 2022 at 0210 hours, and after 14 hours 26 mins he landed at Wissant Beach in France. A great achievement and I am sure we all congratulate him on this.

Practice Closure

Please remember that we will be closed from 12:30pm on the following dates, to allow our staff attend training sessions.

Wednesdays - 12th October, 9th November, 14th December.

HERE TO HELP in 2022

Your community charity, Kislingbury Town and Charity Estates, exists to provide financial or other assistance to elderly village residents in need, or to promote participation in sports and recreation, for the benefit of villagers.

How has the charity helped Kislingbury and its residents?

Here are some recent examples:

- ✓ Contribution towards a stair lift and tracking device for elderly resident
- ✓ Funding of a road improvement in the playing fields
- ✓ Funding of additional medical aid for an elderly resident
- ✓ Funding pledge toward the children's play area replacement
- ✓ Support for elderly resident to cover exceptional medical expenses

I know an elderly resident who could do with some support – what can I do?

Please contact our Clerk Jim Wood on (01327) 872670 for a confidential discussion – the Trustees can meet at short notice to consider applications.

Equally, if you are looking for funding towards facilities in the village which will promote community participation in sports or recreation, please give Jim a call.

Kislingbury Friendship Club

(Previously Kislingbury Arts & Crafts Society)

By the time you read this the AGM will have been held at the end of September and a new committee in place. I am retiring from the position of Secretary so this is my last entry on behalf of the Friendship Club. It has been a most enjoyable term of office and we have met some very interesting people who have given us an insight into their hobby, job or skill. There's always something new to learn.

Next meeting will be on **Tuesday 25 October at 2.30pm** in Kislingbury Village Hall. The speaker will be **Geoff Lambert who will be telling us about his involvement with Medical Detection Dogs.**

The November meeting will be on Tuesday 29 November at 2.30pm. Speaker to be arranged.

Everyone is welcome to come along - either join as a member for the year or visit on a meeting to meeting basis. There is a friendly atmosphere and always a cup of tea available at the end of the afternoon.

Doreen Hartwell.

Kislingbury Highways Charity Grant 2023 Applications

Applications are invited from clubs, organisations or groups from within the village for financial help or who wish to improve their facilities. Applications must not have received help from the rating system when initially formed.

The Trustees will meet in Feb 2023 to discuss applications. Please send applications directly, ideally by email, to me including a copy of current bank balance sheet **by 10th Feb 2023.** Thank you.

Kislingbury Amblers

We are a group of like minded individuals who meet usually on the first and third Wednesday of each month to have a walk of about 5 miles in the local area and then a pub lunch.

If you would like more information or to join the group
Please call John on 07977938311 - ALL ARE WELCOME

August - 1st walk. This walk started from The Obelisk, Northampton. The Obelisk is a 100 feet high monument built in 1764 by Lord Stafford, owner of what was then the extensive Boughton Estate.

Leaving the Obelisk, 10 amblers walked through a wooded area on to the picturesque village of Boughton from where we walked downhill to a stream leading towards Pitsford. Much to our surprise, despite the recent dry weather, there was quite an extensive boggy area near the stream which we had to skirt .

Crossing several fields we joined the road into Pitsford. Turning right onto a footpath we headed across fields towards Moulton, crossing a road we entered Spectacle Lane where we encountered a ford which some amblers chose to paddle across.

Towards the end of Spectacle Lane we stopped to view a large area bounded by two turrets (a folly we believe). Arriving at Moulton we stopped to view a very ornate gate made from horticultural/agriculture tools which led to a property built on similar lines to the folly seen previously.

We now turned back towards Boughton village stopping on route to view the derelict Church of St John dating back to 1201. The graveyard is still used for burials today. On arrival back in Boughton village we took the footpath through a field and wooded area back to the Obelisk. This was an interesting, varied and scenic walk on the edge of Northampton.

August - 2nd walk. The Amblers made a return visit to Sywell Reservoir for this walk. Weather-wise, luck was on our side, as showers were promised but never materialised.

The party of five set off and it wasn't long before one of the eagle-eyed Amblers noticed froglets crossing our footpath heading for the water.

Well into our walk, another of our group dropped back to spend some time familiarising himself with the antics of the black pigs which were sleeping peacefully in an enclosure.

Moving on and avoiding the froglets, we completed the walk and decided to have lunch at the Horseshoe Inn in Sywell.

Our first September walk commenced at the village hall in Byfield. Crossing the main road and walking behind the Cross Tree Pub, we headed to the western edge of the village where, on the way, a house was spotted which once was the Bell Inn.

Exiting the village, we took the bridleway towards the village of Aston Le Walls which, at one time, was the bridleway to Byfield Railway sidings. Leaving fields and heading along a road to a T junction, we passed an equestrian centre and once at the junction we took a short break.

Refreshed, we took a steep climb towards Little Boddington and subsequently left the tarmac and crossed fields back to where we started.

During this latter part of the walk, one of our ladies spotted a plaque in memory of Sandy Denny who had lived in Byfield and who played her last gig there. Lunch was taken at the Narrowboat Inn at Weedon.

St Luke's Church Update

The position of our new Rector will be advertised until the end of September so fingers crossed and with God's grace we have some applicants. The interview process will be 20/21st October 2022.

In the meantime services are being run as usual by either members of the church, lay preachers or visiting rectors and all are welcome.

We have lots of projects currently underway to improve the church including a new sign, an improved sound system at the altar and new door curtains. The major piece of work that has to be done is outside and involves drainage. Until the drive etc. is dug up, the extent of the issues won't be fully known but will entail a considerable cost.

The church is planning various fund raising events. If anyone in the village would kindly like to help/contribute in anyway towards a donation that would be enormously welcome given the current climate. Please contact Judith or Sarah if you would like to discuss further or for any other details.

God bless
Judith and Sarah

Kislingbury Village Fayre/Funday

A fun day was had by all who attended on Sunday 28th August. The weather was lovely and everyone had a good time.

We would like to thank all the stall holders, musicians, Fun Run organisers, the Falcons, the Dog Show organisers, those that ran the bar and BBQ and everyone who helped to set up and clear away.

Thanks to the KPFA and football club for their support and use of the field.
