## Kislingbury Parish Council September 2023

These notes reflect the Parish Council's July and September meetings. We have a break from formalised meetings in August, however work doesn't stop for the Summer break, we have been busy catching up with outstanding work and paperwork needed to keep the village running as smoothly as possible.

### **Planning Applications**

We have 3 planning applications which cause us the most concern:

1. **The Spitfire development.** We are concerned there is no discernible plan with the road changes; there appears to be a road calming/narrowing of the road outside of the Spitfire entry and we are concerned regarding the impact this will have on the planning for the pavement area opposite the development. These plans have not yet been shared and we have contacted National Highways regarding their input into this as well as the planning office at West Northants.

There is also a rather large entry to the next field after the Spitfire development, and while there is no planning for additional housing, the Spitfire office on their development identifies a further 2 fields of Spitfire Homes. The West Northants planning team assure us there has been no pre planning or planning application for additional houses. We are further concerned with water run off from this development and the impact it has had on drainage in the bridleway ditches in Camp Lane. We are currently in contact with the various authorities regarding all of these.

2. **Beech Lane development.** We are pleased to say that 2 similar developments in Roade and Hanslope have been rejected by the planners, one at appeal. Since our last update we have had a very strong supportive objection from the British Horse Society. Please remember that this application has been "called in" by WNC Councillor Adam Brown and means that the WNC planning committee will make its final decision after considering the planning officer's recommendation and hearing from village representation, the Chairman, another parish councillor and a parishioner. We are yet to hear further but will keep you informed regarding the progress of this planning application.
3. **Hodges Lane development.** There are significant concerns regarding this development. We are writing to the West Northamptonshire planning department asking them to confirm to us why the following actions have taken place on the site without any follow up from the planners:

- a. Trees have been removed from a conservation area prior to agreement from the planners. This leaves the site at more risk of flooding, the significant number of trees that were on the site are no longer there to keep flooding to a minimum.
- b. We believe the site may have had soil dumped on it to make the ground higher, and we are asking the planners to investigate whether this has happened or not.
- c. We are also concerned that there has been no evidence of the Knotweed having been removed from the site and we are asking for evidence that this has been removed by a specialist firm.

### **Road Closures**

As soon as we have confirmation regarding road closures within the village they are posted on the Kislingbury Facebook page, this will be from the Vice Chair's Facebook page as Janet Anderson. Unfortunately the PC does not receive advanced information regarding all of the road works that take place. Thank you to those villagers who let the rest of the village know via social media.

### **Precept 2024/2025**

Our Precept is the amount of income we have to run all the services we have in the village. It's coming up to that time of the year when we set our Precept for the village. We like to support a number of organisations but we need to know your needs so we can add to the Precept. If you are one of the village organisations and would like support from the Parish Council, please contact Ann Addison and she will send the appropriate form to complete and return to her, or indeed attend the PC meetings in either October or November and speak to us directly so we have a better context of your needs and can add to the Precept. For example, we are looking at carrying out a tree survey of the trees that belong to the village and this will be a new item on our Precept.

### **CIL (Community Infrastructure Levy).**

Thank you to those of you who have suggested ways in which this can be spent to the benefit of as many villagers as possible. If you would still like to suggest ways in which we might spend our CIL money please do email our Parish Clerk directly with your suggestions. Members of the PC will meet sometime during October/November to confirm the rest of the spend and we are keen to make health and safety a priority within the village.

## ***Parish Council cont. from page 6***

The PC is in the process of ordering/replacing:

- 3 VAS signs (with smiley faces which are colour coded red amber and green) to alert drivers to the speed limits around our village.
- 3 of our notice boards,
- various rusty bins,
- concrete lamp posts,
- new flower planters at the various entrances to the village,
- an interpretation panel/village map of important points in the village.

We have also added twice monthly grass cuts on the small greens outside The Cromwell to enhance the entry to the village. WNC Highways is visiting the village with our Parish Clerk later this month to look at whether reducing the speed limit to 20 around the school is possible and whether the bridge limit can be reduced to 7.5 tonnes.

### **Councillors**

We are pleased to welcome Richard as our newest councillor, he is taking on the portfolio of the village website, and look forward to his expertise in the development of the website.

There is still one vacancy for a councillor so if you are interested in taking on this role, please do contact Ann Addison, our Parish Clerk, with a brief overview of the knowledge and skills you have that would contribute to the PC.

### **Children's Play Area**

The KPFA Trustees have been working hard on the development of the children's play area and some of the PC councillors have been able to attend the presentations from various companies.

Things are looking very exciting and the KPFA will be able to share these plans with you soon.

### **October Litter Pick**

This will start from the **Church Green on the 14th October at 10.00am**. High Vis jackets and litter pickers will be provided for you. Please watch out for further information from Councillor Sue Deane who organises this event. (Page 18).

# THE PARISH CHURCH OF ST LUKE

**HIGH TEAS** – A happy afternoon and thank you so much to all the organisers and those who came. £340 was raised for the Church Fabric Fund.

**CHURCH FETE** Despite the inclement weather this was a lovely afternoon with plenty going on. Enormous thanks to all those involved including KOFS and all the stall holders. The children's games were especially popular as was the village archives display. £1200 was raised, again, for the Fabric Fund.

**QUINQUENNIAL INSPECTION** – To comply with Church Regulations, every 5 years we have to arrange for the church building and grounds to be extensively inspected by a qualified surveyor. Documentation for electrics, heating and health and safety are also checked. From this visit, a report is produced highlighting those aspects of the building that need urgent, semi-urgent, advisory action etc. In most cases only the urgent work can be addressed immediately according to funds available. Our Quinquennial Inspection takes place on 11th October.

Marjorie and family would like to thank friends, family and neighbours for their kindness and support following the death of Frank. It was lovely to see so many of you at Three Counties Crematorium and we hope we gave him a fitting farewell.

Thank you for your generous donations to the Alzheimer's Society.

Finally our thanks to Paul and his team from the Sun Inn for accommodating and feeding us.

## **CHILDREN'S SOCIETY**

Judith will be collecting the home boxes for counting in October/November. If you can deliver to 3 Church Lane it would be helpful, otherwise I can collect.

If you would like a box in your home then please let her know (830421).

# ALL AGE HARVEST

Sunday 1<sup>st</sup> October

Bugbrooke 9:30am

Harpole 11:15am

Kislingbury 11am

Rothersthorpe 4pm

The Parish Churches in  
Bugbrooke, Harpole,  
Kislingbury and Rothersthorpe

**Harvest Festival** is a big ‘thank you’ time: a time of year when for years, those who relied on local farming were thankful for the food that the earth provided, and to God for taking care of them.

Today, for most of us, food comes already picked and packed from a supermarket or the delivery van, not our own fields – so perhaps it’s even more important now to remember that our food comes from God’s creation, and to thank God and everyone who harvests and prepares it for us.

### *Saying thank you to God at Harvest Festival*

Why not come to a Harvest Festival service in the benefice? We’re having an All-Age Service here in Kislingbury at 11am on October 1st. It’s a good opportunity to talk together about thankfulness. If you can’t make that, then you’d be most welcome to Bugbrooke, Harpole or Rothersthorpe, instead!

### *A way to pray for farmers*

Lots of fruit and veg at the supermarket now has the name of the farmer printed on the container. You could put a sheet of paper up in your home, with “Thank you, God, for our food” at the top, and then your child can cut and stick the names of all the farmers onto the rest of the sheet every time you go shopping. When you eat, you can say,

“thank you, God, and (all the names) for our food!” (And then finish by thanking those who cooked and will clean up the meal!)

*Thank You For ...*

Thanking God and those who make our food can help us remember to be grateful for the other good things in life. Maybe at bedtime you and your child can take turns thinking of things to be grateful to God for – from the profound to the very silly!

Or maybe you can finish each day by thinking about all the people you met that day and thanking God for how they help you: the bin / refuse collector who clears up your rubbish, the lady at the shop who helps you find what you need, the toddler group leaders who sing and cut up bananas, the man on the bus who helped with your pushchair, the doctors looking after Grandad.

There’s a lot to be thankful for every day.

## Kislingbury Amblers

We are a group of like minded individuals who meet usually on the first and third Wednesday of each month to have a walk of about 5 miles in the local area and then a pub lunch.

If you would like more information or to join the group  
**Please call John on 07977938311 - ALL ARE WELCOME**

**First Walk of August** - We left the village of Tiffield, over the SMJ railway track and headed across fields towards and along the Gayton Road. After a short distance we turned right along a bridle way towards the Eastcote Road passing magic mushrooms which seemed to have a funny effect on one or two of our walkers. The timing, by our leader, of this section of the walk was superb, as whilst on the bridle path we were sheltered by the surrounding trees from the worst of a tremendous down pour. On emerging from the bridle path we saw by the colour of the distant clouds how lucky we had been in avoiding a thorough drenching.

On reaching the Eastcote Road we headed towards Gayton, turned right between two ponds, which were very nearly dry, and crossed the Tiffield Road and through the old redundant ironstone workings. On reaching the Blisworth Road by the garage we turned right then right again past the cottages and headed towards Gayton Wilds.

At the bridge over the SMJ dismantled railway we descended some very dodgy steps onto the track bed, heading back to Tiffield, into our cars and away for lunch. Our leader lead the walk from the back, signalling directions with his walking stick, those on the front signalling in return when the message was understood.

**Second Walk of August** - Leaving our cars at the Plume of Feathers in Weedon Bec we headed across Jubilee Fields, picking up two further walkers on the way. Walking under the West Coast Main Line Railway and Grand Union Canal we climbed up the steep steps to join the tow path and then headed south.

After a short distance we left the tow path, going over the railway and headed across the fields towards Church Stowe spying in the distance the church of St Michael with its yellow tower which looked completely out of place. On speaking with a local dog walker, we were informed that the old rendering on the tower had become unstable and had been replaced. Further information can be found at [St. Michael's Renovations \(stoweninechurches.org.uk\)](http://St.Michael's.Renovations(stoweninechurches.org.uk)).

We continued through the village and down towards the A5, on the way receiving a wave from one of our walker's HWMBO, her sister and brother in law. After crossing the A5

we walked alongside the embankment of the disused railway which used to transport limestone and iron ore down to the canal and later to the main railway line.

We joined the canal tow path and headed back towards Weedon, leaving the tow path adjacent to the Church of St Peter and St Paul and onwards to the Plume of Feathers for lunch.

**September Walk** - After ordering lunch we left the Red Lion in East Haddon and headed towards Holdenby. After a few hundred yards we turned left and walked across several fields until we reached the road, passing Holdenby Lodge House and proceeded into the charming village of Holdenby. This section of the walk included grassland, farm tracks with a few stiles thrown in for good measure.

After a short break in the village we continued in the general direction of Althorp for two miles along a bridleway. Of interest in this part of the walk was a circular mound which was part of the old garden belonging to Holdenby House. Turning right, the remainder of the walk was on farm tracks and after a short distance we climbed a very steep hill passing the now derelict Rowell Leyes Farm at the top.

We headed back to East Haddon via the cricket ground for lunch. This walk commenced and ended in heavy rain, with a dry period in the middle with strong winds throughout. Nevertheless we still enjoyed the spectacular views.

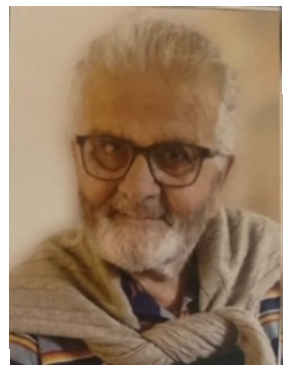

Our leader enjoyed the walk at home before joining us for lunch!

---

### Neville Cooke

Gill, Ade, Sarah and family would like to send our sincere thanks to everyone who sent messages, cards and flowers following Nev's passing away peacefully at home. He was a true village man through and through and will be sadly missed, but never forgotten.

Following a private family cremation there was a Memorial Service at St Luke's on 22nd August and we were overwhelmed at how many people came. We would like to thank Kevin Matthew's Funeral Directors, St Luke's Church, Emma Remington and the Bowls Club for everything they did.

The substantial collection was shared between Marie Curie and the St. Luke's Fabric Fund. God bless.

## LIGHT UP ST LUKE'S

The draws for August and September have been completed.

Many thanks to Shirley Faulkner who drew Dennis Tidmarsh's winning ticket for August and Patsy Buller who drew out September's winning ticket which was held by Talullah Wilmot.

Congratulations to both winners and thanks again to both Shirley and Patsy.

Stay safe, keep well

## News from Canons Ashby

Getting into the Christmas spirit nice and early, we are pleased to share that we were successful at the Northamptonshire Heritage Forum Awards night on 12th July 2023, and can now call our Christmas presentation, "The Award Winning 'A Christmas Quest'" having won Best

Exhibition 2023. The judges complemented the playfulness of the display, the use of teamwork, and the creativity of the volunteers.

Ellie (Collections and House Manager), Helena (Visitor Experience Officer) and Fiona (former Business Services Coordinator) went all the way to Chester House, Wellingborough for the evening. They met people from other heritage organisations across Northamptonshire.

# DO YOU HAVE AN ELDERLY RELATIVE FACING HARDSHIP?

Your community charity, Kislingbury Town and Charity Estates, has provided financial or other assistance to elderly village residents in need for over 600 years.

We know that some Senior Citizens in the village are currently facing hardship, but it is often not in their nature to ask for help. If you have an elderly relative, resident in the village, who is suffering hardship - particularly as a result of ill health - we might be able to help.

## How can you help?

You tell us about the hardship, in strictest confidence, and we will consider how we can help your relative.

Recent examples include a grant towards the Village Food Bank scheme; contribution towards a stair lift and tracking device for an elderly resident; and support to cover a resident's exceptional medical expenses. Equally, we might make a one-off financial grant to help address a hardship.

## What would I need to do?

Please contact our Clerk **Roger Wilson** on **(01604) 831786** for a strictly confidential discussion – the Trustees can meet at short notice to consider requests.

Equally, if you are looking for funding towards facilities in the village which will promote community participation in sports or recreation, please give Roger a call.

*Follow the village on Facebook -*
